

"Easiest Ever Jelly Roll Quilt."

supplies:

Sewing machine, basic sewing kit Basic color thread.

Fabric:

1 jelly roll (40 strips) or forty 2 1/2 inch strips of desired collection.

2 yards of coordinating fabric for border and binding.

I suggest you pick your backing after the quilt is finished, because sizes will vary.

I will bring the hand out to class.

There isn't anything they can do ahead of time except have the 2 1/2 inch strips ready.
