

The North Star Quilters Guild yearly membership fee is \$30.

The board voted to suspend membership dues in 2020 because the inability to meet in person greatly diminished guild expenses.

Starting September 2021, membership fees will be due at the September meeting to ease the tracking and notification process for the membership committee and to coincide with the beginning of the guild's fiscal year.

New members pay the prorated membership for their first year and \$30 yearly thereafter, due at the September meeting.

Month Joined NSQG	Pro-Rated Membership
